# LIUNA Training Infectious Disease App

Apple iOS Installation Instructions

To install the app on your mobile device:

1. On your mobile device, open your preferred web browser (e.g. Safari), tap the following link, **infectiousdisease-liuna.com**, or enter it into your web browser manually, and tap "Go."

2. When the site has loaded, tap the "Share" icon on the bottom bar of the browser. (This appears as a square with a vertical arrow pointing out of it; be aware that the bottom bar will disappear if you are scrolling.)

3. A menu will appear. Swipe up to show all of the options, and choose "Add to Home Screen."

4. Tap "Add" on the next menu to confirm.

5. The LIUNA Infectious Disease App icon has now been added to your phone.
